

Information Regarding Scholarships Offered Through LSC-University Center For The Academic Year 2008/2009

LSC-University Center has special scholarships available for students in addition to other scholarships offered by the partner universities. These scholarships have general requirements which applicants must meet for consideration of the award. Students who have received an associate's degree from any of the colleges in the Lone Star College System and are now enrolling in bachelor's degree programs offered through LSC-University Center are encouraged to apply for these scholarships created especially for this unique community of scholars.

General requirements:

- Candidates must fully complete this scholarship application form, provide two recommendations on the forms contained in this packet (at least one from a college or university faculty member), and include one copy of official transcripts from every institution attended.
- All materials must be received by the deadline for consideration. The deadline for receipt of all application materials is September 30, 2008.
- Recipients must be enrolled in at least *six* of their total semester credit hours in courses offered at LSC-University Center for both Fall 2008 semester and Spring 2009 semester. Preference will be given to students completing the majority of their academic work at LSC-University Center campus.
- Recipients must complete the minimum number of required semester credit hours (6) and remain in good academic standing.
- Recipients must attend the Scholarship Ceremony on Thursday, October 30, 2008, to receive the scholarship.
- Recipients of these scholarships must reapply for future consideration under the requirements in effect for that next academic year. Scholarships are not automatically renewed.
- The key criteria in awarding these scholarships are academic performance, school and community service, and financial need. Students must be progressing toward a bachelor's degree program offered by one of the universities at LSC-University Center and enrolled in courses for that degree during the semesters for which the scholarship is awarded.
